1. INTRODUCTION

- 1.1 Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data. This privacy notice explains how we collect, store and use personal data about pupils. We, Endeavour Academies Trust, Stockton Road, Middlesbrough TS5 4AG, are the 'data controller' for the purposes of data protection law. Our data protection officer is Mr A Jordan (see 'Contact us' below).

4. OUR LEGAL BASIS FOR USING THIS DATA

- 4.1 We only collect and use pupils personal data when the law allows us to. Most commonly, we use it where:
- 4.1.1 We need to comply with a legal obligation
 - 4.1.2 We need it to perform an official task in the public interest
- Less commonly, we may also process pupils' personal data in situations where:
- 4.1.3 We have obtained consent to use it in a certain way
 - 4.1.4 We need to protect the individual's vital interests (or someone else's interests)
- 4.2 Where we have obtained consent to use pupils' personal data (e.g. photos), this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn. Some of the reasons listed above for collecting and using pupils' personal data overlap, and there may be several grounds which justify our use of this data.

5. COLLECTING THIS INFORMATION

- 5.1 While the majority of information we collect from pupils is mandatory, there is some information that can be provided voluntarily.

6. HOW WE STORE THIS DATA

We may also keep it beyond their attendance at our school if this is necessary in order to comply with our legal obligations. Our record retention policy (included as an appendix in our data protection policy which is available on our academy website) sets out how long we keep information about pupils.

8.1 We are required to provide information about pupils to the Department for Education as part of statutory data collections such as the school census. Some of this information is then stored in the [National Pupil Database](#) (NPD), which is owned and managed by the Department and provides evidence on school performance to inform research. The database is held electronically so it can easily be turned into statistics. The information is securely collected from a range of sources including schools, local authorities and exam boards.

The Department for Education may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.
